

# powerMEMS

## 2012 atlanta georgia

DECEMBER 2 - 5, 2012

### Conference Co-Chairs:

**Mark G. Allen**  
*Georgia Institute  
of Technology*

**Jeffrey H. Lang**  
*Massachusetts Institute  
of Technology*

# Please Mark Your Calendar!

## At the micro and nano scales

### engineering science

- Catalysis and Combustion
- Energy Conversion Physics and Devices
- Energy Storage
- Engineered Materials for Energy Conversion and Energy Management Systems
- Fabrication for Energy Systems
- Heat and Mass Transfer in Energy Systems
- Power Electronics
- Tribology

### applications

- Biologically Inspired Systems
- Coolers, Heaters and Thermal Management
- Energy Harvesting Devices and Systems
- Energy Management and System Integration
- Fuel Cells, Reactors, Combustors and Heat Engines
- Motors and Generators
- RF Energy Conversion
- Thrusters and Propulsion Systems

MILLENNIUM GATE

GEORGIA CAPITAL BUILDING

## Important Dates and Deadlines:

### Call for Abstracts

**Deadline:**  
July 10, 2012

### Author Notification:

August 14, 2012

### Early Bird Registration

**Deadline:**  
September 25, 2012

### Final Papers Due:

October 2, 2012
